## I. BENEFIT LEVELS UNDER THE GROUP POLICY BETWEEN YOUR EMPLOYER AND AULTCARE INSURANCE COMPANY

The level of Benefits You receive under Your Employer’s Group Policy, and the amount You must pay out-of-pocket, depend on whether You receive medical services from AultCare Providers. You usually will need to pay more out-of-pocket if You go to a Non-Network Provider.

Policy Provision	Network Provider	Non-Network Provider
<p><b>Copayment:</b> The set dollar amount You pay out-of-pocket for each Doctor Office Visit. The Copayment does not count against Your Annual Deductible.</p>	<p>This plan has no Copayments</p>	<p>This plan has no Copayments</p>
<p><b>Annual Deductible:</b> The minimum amount You must pay Out-of-Pocket each year before Benefits are paid under the Policy for certain services. Deductible begins on January 1 of each Calendar Year. An Individual will not be required to pay more than the maximum Individual Deductible in a Calendar Year</p>	<p>\$2,500 for an Individual \$5,000 for a Family</p>	<p>\$7,500 for an Individual \$15,000 for a Family</p>
<p><b>Coinsurance (Out-of-Pocket Expense):</b> This is the percentage of medical expense You share with the Policy after You meet Your <b>Annual Deductible</b> and <b>Copayment</b>.</p>	<p>Your share of the charge 0%</p>	<p>Your share of the charge 20% plus any charges in excess of RBP</p>

<p><b>Annual Out-of-Pocket Maximum (Annual Max):</b> This is the total amount You pay Out-of-Pocket in one Year. before the Policy pays 100% of Your medical expenses. It does include Your Deductible, Copayment and Coinsurance. An Individual will not be required to pay more than the maximum Individual Out-of-Pocket in a Calendar Year</p> <p><b>Your Plan has a Non-Integrated Unembedded Out-of-Pocket.</b></p>	<p>\$2,500 per Individual \$5,000 per Family</p> <p>Once You have met this maximum, the Policy begins to pay covered medical expenses at 100% , except penalties.</p>	<p>\$15,000 per Individual \$30,000 per Family</p> <p>Once You have met this maximum, the Policy begins to pay covered medical expenses at 100% RBP except penalties and any balances over and above RBP.</p>
---	---	---

The Plan will cover services for an Emergency Medical Condition treated in any Hospital Emergency Department. Plans will not require Prior Authorization or impose any other administrative requirements or benefit limitations that are more restrictive than services received from a Network provider. If you seek Emergency Services from a Non-Network Provider, you may be billed for charges that exceed the Reference Based Pricing. This is called balance billing.

**UNEMBEDDED DEDUCTIBLE** means that when more than one person is insured, the entire Family Deductible must be satisfied before the plan’s Coinsurance will apply. Either an Individual Member OR any combination of Family members may satisfy the Family Deductible.

**UNEMBEDDED OUT-OF-POCKET** means that when more than one person is insured, the entire Family Out-of-Pocket must be satisfied before the plan’s Coinsurance will pay at 100%. Either an Individual Member OR any combination of Family Members may satisfy the Family Out-of-Pocket.

**Non-Integrated:** Network and Non-Network Deductibles do not accumulate towards each other.

**Note:** If You use Non-Network Providers, only the amount allowed by Reference Based Pricing will count toward Your Deductible. Your Deductible and Out-of-Pocket expenses for Non-Network Providers may be separate from Network Providers.

**Claims Submission Time** for this plan is 24 months from the date of service.

Ohio's House Bill 388 and the Federal “No Surprises Act establish patient protections including from Out-of-Network providers' surprise bills ("balance billing") for emergency care and other specified items or services. We will comply with these new state and federal requirements including how we process claims from certain Out-of-Network Providers.
