Coverage For: Individual + Family Plan Type: HDHP

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-783-2197 or visit us at [AlabamaBlue.com](http://AlabamaBlue.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.bcbsal.org/sbcglossary/](http://www.bcbsal.org/sbcglossary/) or call 1-800-292-8868 to request a copy.

| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall <a href="#">deductible</a> ?                                | \$2,800 self only coverage/\$5,600 family coverage in-network.<br>\$5,600 self only coverage/\$11,200 family coverage out-of-network.                 | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .  |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. Preventive services in-network are covered before you meet your <a href="#">deductible</a> .   | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .   |
| Are there other <a href="#">deductibles</a> for specific services?              | No.   | You don't have to meet <a href="#">deductible</a> for specific services.  |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | For in-network \$6,400 self only coverage/\$12,800 family coverage.   | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limit</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.  |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | Premiums, balance-billed charges, health care this plan doesn't cover, cost sharing for most out-of-network benefits and pre-certification penalties. | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .   |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="http://AlabamaBlue.com">AlabamaBlue.com</a> or call 1-800-810-BLUE for a list of network providers.                                 | This <a href="#">plan</a> uses a <a href="#">provider</a> network. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan</a> 's network. You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | No.   | You can see the <a href="#">specialist</a> you choose without a referral.   |

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
