Information About Several of Your Benefits

Medical

You have three options to consider for medical coverage—a Preferred Provider Organization (PPO), a Consumer Healthcare Plan (CHP), and a health maintenance organization (HMO) option. Both the PPO and the CHP medical plans are offered through BlueCross BlueShield of Alabama and include Prescription Drug coverage options. Nidec also offers eligible employees access to Hinge Health (for joint and muscle care).

Medical

The Kaiser plan, which is a health maintenance organization (HMO), is the third medical plan option for you to consider. Participants in an HMO first seek care through a primary care provider who helps patients with primary care and then recommends care from specialists if needed. The HMO is offered through Kaiser and includes Prescription Drug coverage options. Nidec also offers eligible employees access to Hinge Health (for joint and muscle care).

Dental

Access to good oral healthcare can help keep your overall health costs down. Regular oral health exams can help detect significant medical conditions before they become serious.

Although the Delta Dental plan allows you the freedom to visit any licensed dentist, you'll save the most when you visit a Delta Dental PPO dentist. A Delta Dental Premier dentist is your next best option when you can't find a PPO dentist.
