STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at <https://idoi.illinois.gov>.

Therefore, We are a fiduciary for The Policy and We have the continuing duty to act prudently and in the interest of You, Your beneficiaries and the other plan participants. If You have a claim for benefits which is denied or ignored, in whole or in part, then You may file suit in state or federal court for a review of Your eligibility or entitlement to benefits under The Policy. 1. **NOTICE:** The benefits under the policy are subject to reduction due to other sources of income.

What comprises other sources of income under the policy is determined by the nature of the policyholder. Therefore, we strongly urge you to **Read Your Certificate Carefully**. A full description of the plans and types of plans considered to be other sources of income under the policy will be found in the definition of "Other Income Benefits" located in the Definitions section of your certificate.

2. **NOTICE:** The laws of the State of Maine require notification of the right to designate a third party to receive notice of cancellation, to change such a designation and, to have the Policy reinstated if the insured suffers from cognitive impairment or functional incapacity and the ground for cancellation was the insured's nonpayment of premium or other lapse or default on the part of the insured.

Within 10 days after a request by an insured, a Third Party Notice Request Form shall be mailed or personally delivered to the insured.

Utah:

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

Vermont:

1. The following requirement applies:

Purpose: Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements are hereby superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

Eligibility for Coverage: *When will I become eligible?*

You will become eligible for coverage on the later of:

- 1) the Policy Effective Date; or
- 2) the date on which You complete the Eligibility Waiting Period for Coverage shown in the Schedule of Insurance.

Enrollment: *How do I enroll for coverage?*

To enroll for coverage You must:

- 1) complete and sign a group insurance enrollment form which is satisfactory to Us; and
- 2) deliver it to Your Employer.

If You do not enroll within 31 days after becoming eligible under The Policy, or if You were eligible to enroll under the Prior Policy and did not do so, and later choose to enroll:

- 1) You must give Us Evidence of Insurability satisfactory to Us; and
- 2) You may enroll at any time.

Evidence of Insurability: *What is Evidence of Insurability and what happens if Evidence of Insurability is not satisfactory to Us?*

Evidence of Insurability must be satisfactory to Us and may include, but will not be limited to:

- 1) a completed and signed application approved by Us;
- 2) a medical examination;
- 3) attending Physicians' statements; and
- 4) any additional information We may require.

All Evidence of Insurability will be furnished at Your expense. We will then determine if You are insurable under The Policy.

If Your Evidence of Insurability is not satisfactory to Us:

- 1) Your Monthly Benefit will equal the amount for which You were eligible without providing Evidence of Insurability, provided You enrolled within 31 days of the date You were first eligible to enroll; and
- 2) You will not be covered under The Policy if You enrolled more than 31 days after the date You were first eligible to enroll.

PERIOD OF COVERAGE

Effective Date: *When does my coverage start?*

Your coverage will start on the earliest of:

- 1) the date You become eligible, if You enroll or have enrolled by then;

- 2) the date on which You enroll, if You do so within 31 days after the date You are eligible; or
- 3) the date We approve Your Evidence of Insurability, for benefit amounts requiring Evidence of Insurability.

Deferred Effective Date: *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to:

- 1) accidental bodily injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your insurance, or increase in coverage, would otherwise have become effective, Your insurance, or increase in coverage will not become effective until You are Actively at Work one full day.

Changes in Coverage: *Can I change my benefit options?*

You may change Your benefit option at any time.

You may decrease coverage, or increase coverage to a higher option. An increase in coverage will be subject to Your submission of an application that meets Our approval.

When will a requested change in benefit option take effect?

Any such increase in coverage is subject to the following provisions:

- 1) Deferred Effective Date; and
- 2) Pre-existing Conditions Limitation.

Do coverage amounts change if there is a change in my class or my rate of pay?

Your coverage may increase or decrease on the date there is a change in Your class or Pre-disability Earnings. However, no increase in coverage will be effective unless on that date You:

- 1) are an Active Employee; and
- 2) are not absent from work due to being Disabled. If You were so absent from work, the effective date of such increase will be deferred until You are Actively at Work for one full day.

No change in Your Pre-disability Earnings will become effective until the date We receive notice of the change.

What happens if the Employer changes The Policy?

Any increase or decrease in coverage because of a change in The Policy will become effective on the date of the change, subject to the following provisions:

- 1) the Deferred Effective Date provision; and
- 2) Pre-existing Conditions Limitation.

Continuity From A Prior Policy: *Is there continuity of coverage from a Prior Policy?*

If You were:

- 1) insured under the Prior Policy; and
- 2) not eligible to receive benefits under the Prior Policy;

on the day before the Policy Effective Date, the Deferred Effective Date provision will not apply.

Is my coverage under The Policy subject to the Pre-existing Condition Limitation?

If You become insured under The Policy on the Policy Effective Date and were covered under the Prior Policy on the day before the Policy Effective Date, the Pre-existing Conditions Limitation will end on the earliest of:

- 1) the Policy Effective Date, if Your coverage for the Disability was not limited by a pre-existing condition restriction under the Prior Policy; or
- 2) the date the restriction would have ceased to apply had the Prior Policy remained in force, if Your coverage was limited by a pre-existing condition limitation under the Prior Policy.

The amount of the Monthly Benefit payable for a Pre-existing Condition in accordance with the above paragraph will be the lesser of:

- 1) the Monthly Benefit which was paid by the Prior Policy; or
- 2) the Monthly Benefit provided by The Policy.

The Pre-existing Conditions Limitation will apply after the Policy Effective Date to the amount of a benefit increase which results from a change from the Prior Policy to The Policy, a change in benefit options, a change of class or a change in The Policy.

Do I have to satisfy an Elimination Period under The Policy if I was Disabled under the Prior Policy?

If You received monthly benefits for disability under the Prior Policy, and You returned to work as a Full-time Active Employee before the Policy Effective Date, then, if within 6 months of Your return to work:

- 1) You have a recurrence of the same disability while covered under The Policy; and
- 2) there are no benefits available for the recurrence under the Prior Policy;

the Elimination Period, which would otherwise apply, will be waived if the recurrence would have been covered without any further elimination period under the Prior Policy.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date The Policy no longer insures Your class;
- 3) the date premium payment is due but not paid;
- 4) the last day of the period for which You make any required premium contribution;
- 5) the date Your Employer terminates Your employment; or
- 6) the date You cease to be a Full-time Active Employee in an eligible class for any reason;

unless continued in accordance with any of the Continuation Provisions.

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium; and
- 3) terminates if:
 - a) The Policy terminates; or
 - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave, or Military Leave of Absence, Your coverage may be continued for 6 month(s) after the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Furlough: If You are not Actively at Work as the result of a work furlough, Your coverage may be continued for up to 6 month(s) as determined by the Employer and Us. If the furlough ends, this continuation will cease immediately.

Military Leave of Absence: If You enter active military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 12 weeks, or longer if required by other applicable law. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Coverage while Disabled: *Does my insurance continue while I am Disabled and no longer an Active Employee?*

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

Waiver of Premium: *Am I required to pay premiums while I am Disabled?*

No premium will be due for You:

- 1) after the Elimination Period; and
- 2) for as long as benefits are payable.

Extension of Benefits for Disability: *Do benefits continue if The Policy terminates?*

If You are entitled to benefits while Disabled and The Policy terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy for any reason will have no effect on Our liability under this provision.

BENEFITS

Disability Benefit: *What are my Disability Benefits under The Policy?*

We will pay You a Monthly Benefit if You:

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Maximum Duration of Benefits.

Mental Illness and Substance Abuse Benefits: *Are benefits limited for Mental Illness or Substance Abuse?*

If You are Disabled because of:

- 1) Mental Illness that results from any cause;
- 2) any condition that may result from Mental Illness;
- 3) alcoholism; or
- 4) the non-medical use of narcotics, sedatives, stimulants, hallucinogens, or any other such substance;

then, subject to all other provisions of The Policy, We will limit the Maximum Duration of Benefits.

Benefits will be payable:

- 1) for as long as You are confined in a hospital or other place licensed to provide medical care for the disabling condition; or
- 2) if not confined, or after You are discharged and still Disabled, for a total of 24 months for all such disabilities during Your lifetime.

Recurrent Disability: *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period will not interrupt the Elimination Period, if the number of days You return to work as an Active Employee are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Employee and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work,

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. The new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

Period of Disability means a continuous length of time during which You are Disabled under The Policy.

Recover or Recovery means that You are no longer Disabled and have returned to work with The Employer and premiums are being paid for You.

Calculation of Monthly Benefit:

Return to Work Incentive: *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, but work while You are Disabled, We will determine Your Monthly Benefit for a period of up to 12 consecutive months as follows:

- 1) multiply Your Pre-disability Earnings by the Benefit Percentage for which You enrolled;
- 2) compare the result with the Maximum Benefit for which You enrolled; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. Current Monthly Earnings will not be used to reduce Your Monthly Benefit. However, if the sum of Your Monthly Benefit and Your Current Monthly Earnings exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of excess.

The 12 consecutive month period will start on the last to occur of:

- 1) the day You first start work; or
- 2) the end of the Elimination Period.

If You are Disabled and not receiving benefits under the Return to Work Incentive, We will calculate Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Benefit Percentage for which You enrolled;
- 2) compare the result with the Maximum Benefit for which You enrolled; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

Calculation of Monthly Benefit: *What happens if the sum of my Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of my Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

Minimum Monthly Benefit: *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

Partial Month Payment: *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

Termination of Payment: *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits Table;
- 8) the date Your Current Monthly Earnings:
 - a) are equal to or greater than 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation; or
 - b) are greater than the lesser of the product of Your Indexed Pre-disability Earnings and the Benefit Percentage for which You enrolled or the Maximum Monthly Benefit if You are receiving benefits for being Disabled from Any Occupation;
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration; or
- 10) the date You refuse to participate in a Rehabilitation program, or refuse to cooperate with or try:
 - a) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
 - b) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
 - c) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation; or
 - d) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation;

provided a qualified Physician or other qualified medical professional agrees that such modifications, Rehabilitation program or adaptive equipment accommodate Your medical limitation.

Family Care Credit Benefit: *What if I must incur expenses for Family Care Services in order to participate in a Rehabilitation program?*

If You are working as part of a program of Rehabilitation, We will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from work as a part of a program of Rehabilitation, subject to the following limitations:

- 1) Family Care means the care or supervision of:
 - a) Your children under age 13; or
 - b) a member of Your household who is mentally or physically handicapped and dependent upon You for support and maintenance;
- 2) the maximum monthly deduction allowed for each qualifying child or family member is:
 - a) \$350 during the first 12 months of Rehabilitation; and
 - b) \$175 thereafter;but in no event may the deduction exceed the amount of Your monthly earnings;
- 3) Family Care Credits may not exceed a total of \$2,500 during a calendar year;
- 4) the deduction will be reduced proportionally for periods of less than a month;
- 5) the charges for Family Care must be documented by a receipt from the caregiver;
- 6) the credit will cease on the first to occur of the following:
 - a) You are no longer in a Rehabilitation program; or
 - b) Family Care Credits for 24 months have been deducted during Your Disability; and
- 7) no Family Care provided by someone Related to the family member receiving the care will be eligible as a deduction under this provision.

Your Current Monthly Earnings after the deduction of Your Family Care Credit will be used to determine Your Monthly Income Loss. In no event will You be eligible to receive a Monthly Benefit under The Policy if Your Current Monthly Earnings before the deduction of the Family Care Credit exceed 80% of Your Indexed Pre-disability Earnings.

Survivor Income Benefit: *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof satisfactory to Us:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the satisfactory proof for Survivor Income Benefits within 1 year of the date of Your death.

The Survivor Income Benefit will only be paid:

- 1) to Your Surviving Spouse; or
- 2) if no Surviving Spouse, in equal shares to Your Surviving Children.

If there is no Surviving Spouse or Surviving Children, then no benefit will be paid.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit is calculated as 3 times the lesser of:

- 1) Your Monthly Income Loss multiplied by the Benefit Percentage in effect on the date of Your death; or
- 2) The Maximum Monthly Benefit for which You enrolled.

Surviving Spouse means Your spouse who was not legally separated or divorced from You when You died.

Surviving Children means Your unmarried children, step children, legally adopted children who, on the date You die, are primarily dependent on You for support and maintenance and who are under age 25.

The term Surviving Children will also include any other children related to You by blood or marriage and who:

- 2) were eligible to be claimed as dependents on Your federal income tax return for the last tax year prior to Your death.

Workplace Modification Benefit: *Will the Rehabilitation program provide for modifications to my workplace to accommodate my return to work?*

We will reimburse Your Employer for the expense of reasonable Workplace Modifications to accommodate Your Disability and enable You to return to work as an Active Employee. You qualify for this benefit if:

- 1) Your Disability is covered by The Policy;
- 2) the Employer agrees to make modifications to the workplace in order to reasonably accommodate Your return to work and the performance of the Essential Duties of Your job; and
- 3) We approve, in writing, any proposed Workplace Modifications.

Benefits paid for such Workplace Modification shall not exceed \$25,000.

We have the right, at Our expense, to have You examined or evaluated by:

- 1) a Physician or other health care professional; or
- 2) a vocational expert or rehabilitation specialist;

of Our choice so that We may evaluate the appropriateness of any proposed modification.

We will reimburse the Employer's costs for approved Workplace Modifications after:

- 1) the proposed modifications made on Your behalf are complete;
- 2) We have been provided written proof of the expenses incurred to provide such modification; and
- 3) You have returned to work as an Active Employee.

Workplace Modification means change in Your work environment, or in the way a job is performed, to allow You to perform, while Disabled, the Essential Duties of Your job. Payment of this benefit will not reduce or deny any benefit You are eligible to receive under the terms of The Policy.

When We determine that You;

- 1) are Disabled; and

We will pay accrued benefits at the end of each month that You are Disabled. We may, at Our option, make an advance benefit payment based on Our estimated duration of Your Disability. Benefit Estimates: *How does the Company estimate Disability benefits under the United States Social Security Act?*

We reserve the right to reduce Your Monthly Benefit by estimating the Social Security disability benefits You or Your spouse and children may be eligible to receive.

When We determine that You or Your dependent may be eligible for benefits, We may estimate the amount of these benefits. We may reduce Your Monthly Benefit by the estimated amount.

Your Monthly Benefit will not be reduced by estimated Social Security disability benefits if:

- 1) You apply for Social Security disability benefits and pursue all required appeals in accordance with the Social Security provision; and
- 2) You have signed a form authorizing the Social Security Administration to release information about awards directly to Us; and

If We have reduced Your Monthly Benefit by an estimated amount and:

- 1) You or Your dependent are later awarded Social Security disability benefits, We will adjust Your Monthly Benefit when We receive proof of the amount awarded, and determine if it was higher or lower than Our estimate; or
- 2) Your application for Social Security disability benefits has been denied, We will adjust Your Monthly Benefit when You provide Us proof of final denial from which You cannot appeal from an Administrative Law Judge of the Office of Hearing and Appeals.

If Your Social Security benefits were lower than We estimated, and We owe You a refund, We will make such refund in a lump sum. If Your Social Security benefits were higher than We estimated, and if Your Monthly Benefit has been

overpaid, You must make a lump sum refund to Us equal to all overpayments, in accordance with the Overpayment Recovery provision.

Overpayment: *When does an overpayment occur?*

An overpayment occurs:

- 1) when We determine that the total amount We have paid in benefits is more than the amount that was due to You under The Policy; or
- 2) when payment is made by Us that should have been made under another group policy.

This includes, but is not limited to, overpayments resulting from:

- 1) retroactive awards received from sources listed in the Other Income Benefits definition;
- 2) failure to report, or late notification to Us of any Other Income Benefit(s) or earned income;
- 3) misstatement;
- 4) fraud; or
- 5) any error We may make.

Overpayment Recovery: *How does the Company exercise the right to recover overpayments?*

We have the right to recover from You any amount that We determine to be an overpayment. You have the obligation to refund to Us any such amount. Our rights and Your obligations in this regard may also be set forth in the reimbursement agreement You will be required to sign when You become eligible for benefits under The Policy.

If benefits are overpaid on any claim, You must reimburse Us within 30 days.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
 - a) You;
 - b) any other organization;
 - c) any other insurance company;
 - d) any other person to or for whom payment was made; and
 - e) Your estate;
- 2) reduce or offset against any future benefits payable to You or Your survivors, including the Minimum Monthly Benefit, until full reimbursement is made. Payments may continue when the overpayment has been recovered;
- 3) refer Your unpaid balance to a collection agency; and
- 4) pursue and enforce all legal and equitable rights in court.

Legal Actions: *When can legal action be taken against Us?*

Legal action cannot be taken against Us:

- 1) sooner than 60 days after the date Proof of Loss is given; or
- 2) more than 3 years after the date Proof of Loss is required to be given according to the terms of The Policy.

Insurance Fraud: *How does the Company deal with fraud?*

Insurance Fraud occurs when You and/or Your Employer provide Us with false information or file a claim for benefits that contains any false, incomplete or misleading information with the intent to injure, defraud or deceive Us. It is a crime if You and/or Your Employer commit Insurance Fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit Insurance Fraud. We will pursue all available legal remedies if You and/or Your Employer perpetrate Insurance Fraud.

Misstatements: *What happens if facts are misstated?*

If material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

No statement, except fraudulent misstatements, made by You relating to Your insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during Your lifetime. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

Eligibility Determination: *How will We determine Your eligibility for benefits?*

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your eligibility or Your beneficiaries for benefits for any claim You or Your beneficiaries make on The Policy. We will:

- 1) obtain with Your cooperation and authorization if required by law, only such information that is necessary to evaluate Your claim and decide whether to accept or deny Your claim for benefits. We may obtain this information from Your Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your option and at Your expense, You may provide Us and We will consider any other information, including but not limited to, reports from a Physician or other expert of Your choice. You should provide Us with all information that You want Us to consider regarding Your claim;
- 2) consider and interpret The Policy and all information obtained by Us and submitted by You that relates to Your claim for benefits and make Our determination of Your eligibility for benefits based on that information and in accordance with The Policy and applicable law;
- 3) if We approve Your or Your Spouse's claim, We will review Our decision to approve Your claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with The Policy.

In the event We deny Your claim for benefits, in whole or in part, You can appeal the decision to Us. If You choose to appeal Our decision, the process You must follow is set forth in The Policy provision entitled **Claim Appeal**. If You do not appeal the decision to Us, then the decision will be Our final decision.

Physical Examinations and Autopsy: *Will I be examined during the course of my claim?*

While a claim is pending We have the right at Our expense:

- 1) to have the person who has a loss examined by a Physician when and as often as reasonably necessary; and
- 2) to make an autopsy in case of death where it is not forbidden by law.

DEFINITIONS

Actively at Work means at work with the Employer on a day that is one of the Employer's scheduled workdays. On that day, You must be performing for wage or profit all of the regular duties of Your Occupation:

- 1) in the usual way; and
- 2) for Your usual number of hours.

We will consider You Actively at Work on a day that is not a scheduled work day only if You were Actively at Work on the preceding scheduled work day.

Active Employee means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. This must be at least the number of hours shown in the Schedule of Insurance.

Any Occupation means any occupation for which You are qualified by education, training or experience, and that has an earnings potential greater than the lesser of:

- 1) the product of Your Indexed Pre-disability Earnings and the Benefit Percentage; or
- 2) the Maximum Monthly Benefit.

Current Monthly Earnings means monthly earnings You receive from:

- 1) Your Employer; and
- 2) other employment;

while You are Disabled and working.

However, if the other employment is a job You held in addition to Your job with Your Employer, then during any period that You are entitled to benefits for being Disabled from Your Occupation, only the portion of Your earnings that exceeds Your average earnings from the other employer over the 6 month period just before You became Disabled will count as Current Monthly Earnings.

Current Monthly Earnings also includes the pay You could have received for another job or a modified job if:

- 1) such job was offered to You by Your Employer, or another employer, and You refused the offer; and
- 2) the requirements of the position were consistent with:
 - a) Your education, training and experience; and

b) Your capabilities as medically substantiated by Your Physician.

Disability or Disabled means You are prevented from performing one or more of the Essential Duties of:

- 1) Your Occupation, during the Elimination Period and for the 2 years following the Elimination Period, and as a result Your Current Monthly Earnings are less than 80% of Your Indexed Pre-disability Earnings; and
- 2) after that, Any Occupation.

Your Disability must result from:

- 1) accidental bodily injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy.

Your failure to pass a physical examination required to maintain a license to perform the duties of Your Occupation, alone, does not mean that You are Disabled.

Elimination Period means the longer of the number of consecutive days at the beginning of any one period of Disability which must elapse before benefits are payable or the expiration of any Employer sponsored short term Disability benefits or salary continuation program, excluding benefits required by state law.

Employer means the Policyholder.

Essential Duty means a duty that:

- 1) is substantial, not incidental;
- 2) is fundamental or inherent to the occupation; and
- 3) cannot be reasonably omitted or changed.

Your ability to work the number of hours in Your regularly scheduled workweek is an Essential Duty.

Indexed Pre-disability Earnings means Your Pre-disability Earnings adjusted annually by adding the lesser of:

- 1) 10%; or
- 2) the percentage change in the Consumer Price Index (CPI-W).

The percentage change in the CPI-W means the difference between the current year's CPI-W as of July 31, and the prior year's CPI-W as of July 31, divided by the prior year's CPI-W. The adjustment is made January 1st each year after You have been Disabled for 12 consecutive month(s), provided You are receiving benefits at the time the adjustment is made.

The term Consumer Price Index (CPI-W) means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. It measures on a periodic (usually monthly) basis the change in the cost of typical urban wage earners' and clerical workers' purchase of certain goods and services. If the index is discontinued or changed, We may use another nationally published index that is comparable to the CPI-W.

Mental Illness means a mental disorder as listed in the current version of the Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association. A Mental Illness may be caused by biological factors or result in physical symptoms or manifestations.

For the purpose of The Policy, Mental Illness does not include the following mental disorders outlined in the Diagnostic and Statistical Manual of Mental Disorders:

- 1) Mental Retardation;
- 2) Pervasive Developmental Disorders;
- 3) Motor Skills Disorder;
- 4) Substance-Related Disorders;
- 5) Delirium, Dementia, and Amnesic and Other Cognitive Disorders; or
- 6) Narcolepsy and Sleep Disorders related to a General Medical Condition.

Monthly Benefit means a monthly sum payable to You while You are Disabled, subject to the terms of The Policy.

Monthly Income Loss means Your Pre-disability Earnings minus Your Current Monthly Earnings.

Other Income Benefits means the amount of any benefit for loss of income, provided to You or Your family, as a result of the period of Disability for which You are claiming benefits under The Policy. This includes any such benefits for which You or Your family are eligible or that are paid to You or Your family, or to a third party on Your behalf, pursuant to any:

- 1) temporary, permanent disability, or impairment benefits under a Workers' Compensation Law, the Jones Act, occupational disease law, similar law or substitutes or exchanges for such benefits;
- 2) governmental law or program that provides disability or unemployment benefits as a result of Your job with Your Employer;
- 3) plan or arrangement of coverage, whether insured or not, which is received from Your Employer as a result of employment by or association with Your Employer or which is the result of membership in or association with any group, association, union or other organization;

- 5) disability benefits under:
 - a) the United States Social Security Act or alternative plan offered by a state or municipal government;

- 6) disability benefit from the Department of Veterans Affairs, or any other foreign or domestic governmental agency:
 - a) that begins after You become Disabled; or
 - b) that You were receiving before becoming Disabled, but only as to the amount of any increase in the benefit attributed to Your Disability.

Other Income Benefits also means the amount of any payments that are made to You or to Your family, or to a third party on Your behalf, pursuant to any:

- 1) disability benefit under Your Employer's Retirement Plan;
- 2) temporary, permanent disability or impairment benefits under a Workers' Compensation Law, the Jones Act, occupational disease law, similar law or substitutes or exchanges for such benefits;
- 3) portion of a judgment or settlement of a claim or lawsuit that represents or compensates for Your loss of earnings, less Our pro rata share of any associated reasonable attorneys' fees and court costs;
- 4) retirement benefit from a Retirement Plan that is wholly or partially funded by employer contributions, unless:
 - a) You were receiving it prior to becoming Disabled; or
 - b) You immediately transfer the payment to another plan qualified by the United States Internal Revenue Service for the funding of a future retirement;(Other Income Benefits will not include the portion, if any, of such retirement benefit that was funded by Your after-tax contributions.); or
- 5) retirement benefits under:
 - a) the United States Social Security Act or alternative plan offered by a state or municipal government;
 - b) the Railroad Retirement Act;
 - c) the Canada Pension Plan, the Canada Old Age Security Act, the Quebec Pension Plan or any provincial pension or disability plan;
 - d) similar plan or act;that You and Your spouse and children receive because of Your retirement, unless You were receiving them prior to becoming Disabled.

If You are paid Other Income Benefits in a lump sum or settlement, You must provide proof satisfactory to Us of:

- 1) the amount attributed to loss of income; and
- 2) the period of time covered by the lump sum or settlement.

We will pro-rate the lump sum or settlement over this period of time. If You cannot or do not provide this information, We will assume the entire sum to be for loss of income, and the time period to be 24 month(s). We may make a retroactive allocation of any retroactive Other Income Benefit. A retroactive allocation may result in an overpayment of Your claim.

The amount of any increase in Other Income Benefits will not be included as Other Income Benefits if such increase:

- 1) takes effect after the date benefits become payable under The Policy; and
- 2) is a general increase which applies to all persons who are entitled to such benefits.

However, if You were an hourly paid Active Employee before You became Disabled, Pre-disability Earnings means the product of:

- 1) the average number of hours You worked per month, not including overtime, over the most recent 12 month period immediately prior to the date You were last Actively at Work before You became Disabled, multiplied by:

**APPENDIX ONE
NOTICE OF PROTECTION PROVIDED BY
MISSOURI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a *brief summary* of the Missouri Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Missouri law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Missouri law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).)

The basic protections provided by the Association are as follows:

- Life Insurance
- \$300,000 in death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values
- Health Insurance
- \$500,000 for health benefit plans
- \$300,000 in disability insurance benefits
- \$300,000 in long-term care insurance benefits
- \$100,000 in other types of health insurance benefits
- Annuities
- \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. The maximum amount of protection for each individual, regardless of the number of policies or contracts, is as follows:
- \$300,000 in aggregate for all types of coverage listed above, with the exception health benefit plans
- \$500,000 in aggregate for health benefit plans

(please turn to next page)

- \$5,000,000 to one policy owner of multiple nongroup policies of life insurance, whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons

"Health benefit plan" is defined in section 376.718, RSMo.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Missouri law.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the basic life insurance policy or annuity contract to which it relates.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.mo-iga.org, or contact:

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CLAIM PROCEDURES

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy, to the extent permitted by applicable state law.

Claim Procedures for Claims Requiring a Determination of Disability

Claims and appeals for disability benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical or vocational expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

If the Insurance Company fails to strictly adhere to all the requirements of ERISA with respect to a claim, you are deemed to have exhausted the administrative remedies available under the Plan, with certain exceptions. Accordingly, you are entitled to bring a civil action to pursue any available remedies under section 502(a) of ERISA on the basis that the Insurance Company has failed to provide a reasonable claims procedure that would yield a decision on the merits of the claim. If you choose to bring a civil action to pursue remedies under section 502(a) of ERISA under such circumstances, your claim or appeal is deemed denied on review without the exercise of discretion by an appropriate fiduciary. However, the administrative remedies available under the Plan will not be deemed exhausted based on *de minimis* violations that do not cause, and are not likely to cause, prejudice or harm to you so long as the Insurance Company demonstrates that the violation was for good cause or due to matters beyond the control of the Insurance Company and that the violation occurred in the context of an ongoing, good faith exchange of information between the Insurance Company and you. This exception is not available if the violation is part of a pattern or practice of violations by the Insurance Company. Before filing a civil action, you may request a written explanation of the violation from the Insurance Company, and the Insurance Company must provide such explanation within 10 days, including a specific description of its bases, if any, for asserting that the violation should not cause the administrative remedies available under the Plan to be deemed exhausted. If a court rejects your request for immediate review on the basis that the Insurance Company met the standards for the exception, your claim shall be considered as re-filed on appeal upon the Insurance Company's receipt of the decision of the court. Within a reasonable time after the receipt of the decision, the Insurance Company shall provide you with notice of the resubmission.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Insurance Company, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the Insurance Company's review procedures and time limits applicable to such procedures; 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal the decision and after you receive a written denial on appeal; 6) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 7) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 8) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Insurance Company do not exist; 9) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits; and

10) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court, with the exception of an action under the deemed exhausted process described above. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Before the Insurance Company can issue an adverse benefit determination on review, the Insurance Company shall provide you, free of charge, with any new or additional evidence considered, relied upon, or generated by the Insurance Company (or at the direction of the Insurance Company) in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

Before the Insurance Company can issue an adverse benefit determination on review based on a new or additional rationale, the Insurance Company shall provide you, free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to the request.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a statement that you are entitled to receive, upon request and free of charge, copies of all documents, records, and other information relevant to your claim; 4) a statement (a) that you have the right to bring a civil action under section 502(a) of ERISA, and (b) describing any applicable contractual limitations period that applies to your right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim; 5) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 6) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 7) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance

Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Plan do not exist; 8) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company; and 9) any other notice(s), statement(s) or information required by applicable law.

Claim Procedures for Claims Not Requiring a Determination of Disability

Claims and appeals for benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.
