### **Eligible Persons: *Who is eligible for coverage?***

All persons in the class or classes shown in the Schedule of Benefits will be considered Eligible Persons.

**Eligibility for Coverage:** *When will I become eligible?*

You will become eligible for coverage on the later of:

- 1) the Plan Effective Date; or
- 2) the date on which You complete the Eligibility Waiting Period for Coverage shown in the Schedule of Benefits, if applicable.

**Enrollment:** *How do I enroll for coverage?*

All eligible Active Employees will be enrolled automatically by the Employer.

## PERIOD OF COVERAGE

**Effective Date:** *When does my coverage start?*

Your coverage will start on the date You become eligible.

**Deferred Effective Date:** *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to:

- 1) accidental bodily injury;
- 2) Sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your coverage, or increase in coverage, would otherwise have become effective, Your coverage, or increase in coverage will not become effective until You are Actively at Work one full day.

**Continuity From A Prior Plan:** *Is there continuity of coverage from a Prior Plan?*

If You were:

- 1) insured under the Prior Plan; and
- 2) not eligible to receive benefits under the Prior Plan;

on the day before the Plan Effective Date, the Deferred Effective Date provision will not apply.

*Is my coverage under The Plan subject to the Pre-existing Condition Limitation?*

If You become insured under The Plan on the Plan Effective Date and were covered under the Prior Plan on the day before the Plan Effective Date, the Pre-existing Conditions Limitation will end on the earliest of:

- 1) the Plan Effective Date, if Your coverage for the Disability was not limited by a pre-existing condition restriction under the Prior Plan; or
- 2) the date the restriction would have ceased to apply had the Prior Plan remained in force, if Your coverage was limited by a pre-existing condition limitation under the Prior Plan.

The amount of the Weekly Benefit payable for a Pre-existing Condition in accordance with the above paragraph will be the lesser of:

- 1) the Weekly Benefit which was paid by the Prior Plan; or
- 2) the Weekly Benefit provided by The Plan.

The Pre-existing Conditions Limitation will apply after the Plan Effective Date to the amount of a benefit increase which results from a change from the Prior Plan to The Plan, a change in benefit options, a change of class or a change in The Plan.

**Termination:** *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Plan terminates;

- 3) the last day of the period for which You make any required contribution;
- 4) the date Your Employer terminates Your employment; or
- 5) the date You cease to be a Full-time Active Employee in an eligible class for any reason;

unless continued in accordance with any of the Continuation Provisions.

**Continuation Provisions:** *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer

provides a plan of continuation which applies to all employees the same way. Continued coverage:

- 1) is subject to any reductions in The Plan; and
- 2) terminates if:
  - a) The Plan terminates; or
  - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

**Leave of Absence:** If You are on a documented leave of absence, other than Family and Medical Leave, or Military Leave of Absence Your coverage may be continued for 6 months after the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

**Military Leave of Absence:** If You enter active military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 12 week(s), or longer if required by other applicable law. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

**Coverage while Disabled:** *Does my coverage continue while I am Disabled and no longer an Active Employee?*

If You are Disabled and You cease to be an Active Employee, Your coverage will be continued:

- 1) while You remain Disabled; and
- 2) until the end of the period for which You are entitled to receive short term Disability Benefits.

After short term Disability Benefit payments have ceased, Your coverage will be reinstated, provided:

- 1) You return to work for one full day as a Full-time Active Employee in an eligible class; and
- 2) The Plan remains in force.

**Extension of Benefits for Disability:** *Does my coverage continue if The Plan terminates?*

If You are entitled to benefits while Disabled and The Plan terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date the Claims Evaluator would have ceased to pay benefits had The Plan remained in force.

Termination of The Plan for any reason will have no effect on the liability under this provision.

## BENEFITS

**Disability Benefit:** *What are my Disability Benefits under The Plan?*

If, while covered under this Benefit, You:

- 1) become Disabled;
- 2) remain Disabled; and
- 3) submit Proof of Loss to the Claims Evaluator;

the Claims Evaluator will pay the Weekly Benefit.

The amount of any Weekly Benefit payable will be reduced by:

- 1) the total amount of all Other Income Benefits, including any amount for which You could collect but did not apply; and
- 2) any income received from the Employer for the period You are Disabled.

**Minimum Weekly Benefit:** *Is there a Minimum Weekly Benefit?*

Your Weekly Benefit will not be less than the Minimum Weekly Benefit shown in the Schedule of Benefits.

**Partial Week Payment:** *How is a benefit calculated for a period of less than a week?*

If a Weekly Benefit is payable for less than a week, the Claims Evaluator will pay 1/5 of the Weekly Benefit for each day You were Disabled.

**Recurrent Disability:** *What happens to my benefits if I return to work as an Active Employee and then become Disabled again?*

When Your return to work as an Active Employee is followed by a Disability, and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 14 consecutive calendar days of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Plan remains in force.

If You return to work as an Active Employee for 14 consecutive calendar days or more, any recurrence of a Disability will be treated as a new Disability.

**Period of Disability** means a continuous length of time during which You are Disabled under The Plan.

**Multiple Causes:** *How long will benefits be paid if a period of Disability is extended by another cause?*

If a period of Disability is extended by a new cause while Weekly Benefits are payable, Weekly Benefits will continue while You remain Disabled, subject to the following:

- 1) Weekly Benefits will not continue beyond the end of the original Maximum Duration of Benefits; and
- 2) any Exclusions and Pre-existing Conditions Limitations will apply to the new cause of Disability.

**Termination of Payment:** *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse the Claims Evaluator's request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits;
- 8) the date Your Current Weekly Earnings are equal to or greater than 80% of Your Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation; or
- 9) the date no further benefits are payable under any provision in The Plan that limits benefit duration.

**Disabled and Working Benefits:** *How are benefits paid when I am Disabled and Working?*

If, while covered under this benefit, You are Disabled and Working, as defined, the Claims Evaluator will use the following calculation to determine Your Weekly Benefit:

$$\text{Weekly Benefit} = \frac{(A - B) \times C}{A}$$

Where

**A** = Your Weekly Pre-disability Earnings.

**B** = Your Current Weekly Earnings.

**C** = The Weekly Benefit payable if You were Totally Disabled.

If You are participating in a program of Rehabilitative Employment approved by the Claims Evaluator, the Claims Evaluator will determine Your Weekly Benefit by the Rehabilitative Employment Benefit.

Days which You are Disabled and Working may be used to satisfy the Benefits Commence period.

**Partial Week Payment:** *How is a benefit calculated for a period of less than a week?*

If a Weekly Benefit is payable for less than a week, the Claims Evaluator will pay 1/5 of the Weekly Benefit for each day You were Disabled.

**Rehabilitative Employment Benefit:** *What happens to my benefits if I accept Rehabilitative Employment?*

If, while You are Totally Disabled or Disabled and Working, You accept Rehabilitative Employment, the Claims Evaluator will continue to pay a Weekly Benefit.

The Weekly Benefit the Claims Evaluator will pay will be equal to Your Total Disability Weekly Benefit, less 50% of any income received from the Rehabilitative Employment.

The sum of the Weekly Benefit and total income received from Rehabilitative Employment may not exceed 100% of Your Pre-disability Earnings. If this sum exceeds the Pre-disability Earnings, the Weekly Benefit paid by the Claims Evaluator will be reduced by the excess amount.

The Claims Evaluator reserves the right to review any Rehabilitative Employment You participate in while benefits are being paid under The Plan.

If You remain Totally Disabled or Disabled and Working after a period of Rehabilitative Employment, You may continue to receive benefits under the Total Disability Benefit or Disabled and Working Benefit, subject to the Maximum Payment Period for such benefit.

## EXCLUSIONS AND LIMITATIONS

### **Exclusions:** *What Disabilities are not covered?*

The Plan will not pay any Disability Benefits for a Disability that results, directly or indirectly, from:

  - a) prescribed by a Physician as required treatment of the Injury or Sickness; and

If You are receiving or are eligible for benefits for a Disability under a prior disability plan that:

- 1) was sponsored by Your Employer; and
- 2) was terminated before the Effective Date of The Plan;

no benefits will be payable for the Disability under The Plan.

### **Pre-existing Condition Limitation:** *Are benefits limited for Pre-existing Conditions?*

We will not pay any benefit, or any increase in benefits, under The Plan for any Disability that results from, or is caused or contributed to by, a Pre-existing Condition, unless, at the time You become Disabled You have been continuously covered under The Plan for 6 consecutive months.

### **Pre-existing Condition** means:

- 1) any Injury, Sickness, Mental Illness, pregnancy, or episode of Substance Abuse; or
- 2) any manifestations, symptoms, findings, or aggravations related to or resulting from such Injury, Sickness, Mental Illness, pregnancy, or Substance Abuse;

for which You received Medical Care during the 3 consecutive month period that ends the day before:

- 1) Your effective date of coverage; or
- 2) the effective date of a Change in Coverage.

**Medical Care** is received when a Physician or other health care provider:

- 2) recommends, prescribes, or provides Treatment.

**Treatment** includes but is not limited to:

- 1) medical examinations, tests, attendance or observation; and

- 2) use of drugs, medicines, medical services, supplies or equipment.

## **GENERAL PROVISIONS**

### **Claims Evaluator:** *What is the role of the Claims Evaluator?*

The Claims Evaluator is delegated the duties of the Employer to determine benefits payable according to the terms and conditions of The Plan.

### **Employer Role:** *What is the role of the Employer in the Claims process?*

The Employer is responsible for making payment for benefits due according to the terms and conditions of The Plan.

The Employer's responsibilities also include, but are not limited to:

- 1) deciding appeals of claims which were initially denied by the Claims Evaluator; and
- 2) making final determinations regarding eligibility for coverage.

### **Notice of Claim:** *When should the Claims Evaluator be notified of a claim?*

You, your supervisor or your physician must give the Claims Evaluator written notice of a claim within 30 days after Disability starts. If notice cannot be given within that time, it must be given as soon as possible. Such notice must include your name, your address and the Employer's name.

### **Claim Forms:** *Are special forms required to file a claim?*

The Claims Evaluator will send forms to You to provide Proof of Loss, within 15 days of receiving a Notice of Claim. If the Claims Evaluator does not send the forms within 15 days, You may submit any other written proof which fully describes the nature and extent of Your claim.

Proof of loss is typically provided by telephone; however, if forms are required, they will be sent to You for providing Proof of Loss within 15 days after the Claims Evaluator receives a notice of claim.

### **Proof of Loss:** *What is Proof of Loss?*

Proof of Loss may include but is not limited to the following:

- 1) documentation of:
  - a) the date Your Disability began;
  - b) the cause of Your Disability;

  - b) any other information the Claims Evaluator may reasonably require;
- 5) Your signed statement identifying all Other Income Benefits; and
- 6) proof that You and Your dependents have applied for all Other Income Benefits which are available.

You will not be required to claim any retirement benefits which You may only get on a reduced basis. All proof submitted must be satisfactory to the Claims Evaluator.

### **Additional Proof of Loss:** *What additional proof of loss is the Claims Evaluator entitled to?*

To assist the Claims Evaluator in determining if You are Disabled, or to determine if You meet any other term or condition of The Plan, the Claims Evaluator has the right to require You to:

- 1) meet and interview with the Claims Evaluator; and
- 2) be examined by a Physician, vocational expert, functional expert, or other medical or vocational professional of the Claims Evaluator's choice.

Any such interview, meeting or examination will be:

- 1) at the Claims Evaluator's expense; and

2) as reasonably required by the Claims Evaluator.

Your Additional Proof of Loss must be satisfactory to the Claims Evaluator. Unless the Claims Evaluator determines You have a valid reason for refusal, the Claims Evaluator may deny, suspend or terminate Your benefits if You refuse to be examined or meet to be interviewed by the Claims Evaluator.

**Sending Proof of Loss:** *When must proof of Loss be given?*

Written Proof of Loss must be sent to the Claims Evaluator within 90 days after the start of the period for which the Claims Evaluator is liable for payment. If proof is not given by the time it is due, it will not affect the claim if:

- 1) it was not possible to give proof within the required time; and
- 2) proof is given as soon as possible; but
- 3) not later than 1 year after it is due, unless You are not legally competent.

The Claims Evaluator may request Proof of Loss throughout Your Disability. In such cases, the Claims Evaluator must receive the proof within 30 days of the request.

**Claim Payment:** *When are benefit payments issued?*

When the Claims Evaluator determines that You:

- 1) are Disabled; and
- 2) eligible to receive benefits;

accrued benefits will be paid in accordance with the Employer's payment schedule. If any payment is due after a claim is terminated, it will be paid as soon as Proof of Loss satisfactory to the Claims Evaluator is received.

**Claims to be Paid:** *To whom will benefits for my claim be paid?*

All payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any payment is owed to:

- 1) Your estate;
- 2) a person who is a minor; or
- 3) a person who is not legally competent;

then the Claims Evaluator may pay up to \$1,000 to a person who is Related to You and who, at the Claims Evaluator's sole discretion, is entitled to it. Any such payment shall fulfill the Claims Evaluator's responsibility for the amount paid.

**Claim Denial:** *What notification will I receive if my claim is denied?*

If a claim for benefits is wholly or partly denied, You will be furnished with written notification of the decision. This written notification will:

- 1) give the specific reason(s) for the denial;
- 2) make specific reference to The Plan provisions on which the denial is based;
- 3) provide a description of any additional information necessary to perfect a claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

**Social Security:** *When must I apply for Social Security Benefits?*

The Employer may require that You apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You must apply within 45 days from the date of the request. If the Social Security Administration denies Your eligibility for benefits, You will be required:

- 1) to follow the process established by the Social Security Administration to reconsider the denial; and
- 2) if denied again, to request a hearing before an Administrative Law Judge of the Office of Hearing and Appeals.

**Benefit Estimates:** *How does the Claims Evaluator estimate Disability benefits under the United States Social Security Act?*

The Claims Evaluator reserves the right to reduce Your Weekly Benefit by estimating the Social Security disability benefits You or Your spouse and children may be eligible to receive.

When the Claims Evaluator determines that You or Your Dependent may be eligible for benefits, the Claims Evaluator may estimate the amount of these benefits. The Claims Evaluator may reduce Your Weekly Benefit by the estimated amount.

Your Weekly Benefit will not be reduced by estimated Social Security disability benefits if:

- 1) You apply for Social Security disability benefits and pursue all required appeals in accordance with the Social Security provision; and
- 2) You have signed a form authorizing the Social Security Administration to release information about awards directly to the Claims Evaluator; and
- 3) You have signed and returned the reimbursement agreement, which confirms that You agree to repay all overpayments.

If the Claims Evaluator has reduced Your Weekly Benefit by an estimated amount and:

- 1) You or Your Dependent are later awarded Social Security disability benefits, the Claims Evaluator will adjust Your Weekly Benefit when the Claims Evaluator receives proof of the amount awarded, and determine if it was higher or lower than the estimate; or
- 2) Your application for Social Security disability benefits has been denied, the Claims Evaluator will adjust Your Weekly Benefit when You provide the Claims Evaluator proof of final denial from which You cannot appeal from an Administrative Law Judge of the Office of Hearing and Appeals.

If Your Social Security benefits were lower than the Claims Evaluator estimated, and the Claims Evaluator owes You a refund, the Claims Evaluator will make such refund in a lump sum. If Your Social Security Benefits were higher than the Claims Evaluator estimated, and If Your Weekly Benefit has been overpaid, You must make a lump sum refund to the Claims Evaluator equal to all overpayments, in accordance with the Overpayment Recovery provision.

**Subrogation:** *What are the Employer's subrogation rights?*

If You:

- 1) suffer a Disability because of the act or omission of a Third Party;
- 2) become entitled to and are paid benefits under The Plan in compensation for lost wages; and
- 3) do not initiate legal action for the recovery of such benefits from the Third Party in a reasonable period of time;

then the Employer will be subrogated to any rights You may have against the Third Party and may, at its option, bring legal action against the Third Party to recover any payments made by The Plan in connection with the Disability.

**Third Party** as used in this provision means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Plan.

**Legal Actions:** *When can legal action be taken against the Employer?*

Legal action cannot be taken against *the Employer*:

- 1) sooner than 60 days after the date proof of loss is furnished; or
- 2) more than 3 years after the date Proof of Loss is required to be given according to the terms of The Plan.

**Misstatements:** *What happens if facts are misstated?*

If material facts about You were not stated accurately the true facts will be used to determine if, and for what amount, coverage should have been in force.

**Plan Interpretation:** *Who interprets the terms and conditions of The Plan?*

The Claims Evaluator has full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of The Plan. This provision applies where the interpretation of The Plan is governed by the Employee Retirement Income Security Act of 1974, as amended (ERISA).

## **Statement of ERISA Rights**

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

### **1. Receive Information About Your Plan and Benefits:**

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

### **2. Prudent Actions by Plan Fiduciaries:**

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **3. Enforce Your Rights:**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **4. Assistance with Your Questions:**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## **CLAIM PROCEDURES**

The Employer has the full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Plan to the extent permitted by applicable state law.

### **Claim Procedures for Claims Requiring a Determination of Disability:**

Claims and appeals for disability benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical or vocational expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

If the Claim Fiduciary fails to strictly adhere to all the requirements of ERISA with respect to a claim, you are deemed to have exhausted the administrative remedies available under the Plan, with certain exceptions. Accordingly, you are entitled to bring a civil action to pursue any available remedies under section 502(a) of ERISA on the basis that the Claim Fiduciary has failed to provide a reasonable claims procedure that would yield a decision on the merits of the claim. If you choose to bring a civil action to pursue remedies under section 502(a) of ERISA under such circumstances, your claim or appeal is deemed denied on review without the exercise of discretion by an appropriate fiduciary. However, the administrative remedies available under the Plan will not be deemed exhausted based on *de minimis* violations that do not cause, and are not likely to cause, prejudice or harm to you so long as the Claim Fiduciary demonstrates that the violation was for good cause or due to matters beyond the control of the Claim Fiduciary and that the violation occurred in the context of an ongoing, good faith exchange of information between the Claim Fiduciary and you. This exception is not available if the violation is part of a pattern or practice of violations by the Claim Fiduciary. Before filing a civil action, you may request a written explanation of the violation from the Claim Fiduciary, and the Claim Fiduciary must provide such explanation within 10 days, including a specific description of its bases, if any, for asserting that the violation should not cause the administrative remedies available under the Plan to be deemed exhausted. If a court rejects your request for immediate review on the basis that the Claim Fiduciary met the standards for the exception, your claim shall be considered as re-filed on appeal upon the Claim Fiduciary's receipt of the decision of the court. Within a reasonable time after the receipt of the decision, the Claim Fiduciary shall provide you with notice of the resubmission.

**Claims for Benefits:** If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. Following completion, the claim form(s) must be forwarded to the Claim Administrator. The Claim Administrator will evaluate your claim and determine if benefits are payable.

The claim decision will be made no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, you are notified in writing that an extension is necessary due to matters beyond the control of the Claim Administrator, that the notice identifies those matters and gives the date by which a decision is expected to be made. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to our request. If the Claim Administrator approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Plan provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such procedures; 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal the decision and after you receive a written denial on appeal; 6) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Claim Administrator of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) disability determination regarding you presented by you to the Claim Administrator made by the Social Security Administration; 7) if the adverse benefit determination is based on a medical, necessity or experimental treatment or similar exclusion or limit either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided to you free of charge upon request; 8) either the specific internal rules, guidelines, protocols, standards or other similar criteria relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria do not exist; 9) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits; and 10) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided.

**Appealing Denials of Claims for Benefits:**

On any wholly or partially denied claim, you or your representative may appeal to the Employer for a full and fair review. Your appeal request must be in writing and be received by the Employer or Claim Administrator no later that the

expiration of 180 days from the date you received your claim denial. You must complete this claim appeal process before you file an action in court, with the exception of an action under the deemed exhausted process described above.

As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Employer's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Before an adverse benefit determination is issued on review, you shall be provided, free of charge, with any new or additional evidence considered, relied upon, or in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

Before you are issued an adverse benefit determination on review based on a new or additional rationale, you shall be provided free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

The Employer will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Employer notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, or to allow you a reasonable opportunity to respond to any new or additional evidence or a new or additional rationale, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date your response to the request is received.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, the Employer will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Employer grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Plan provisions on which the decision is based; 3) a statement that you are entitled to receive, upon request and free of charge, copies of all documents, records, and other information relevant to your claim; 4) a statement (a) that you have the right to bring a civil action under section 502(a) of ERISA, and (b) describing any applicable contractual limitations period that applies to your right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim; 5) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you made by the Social

Security Administration; 6) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 7) either the specific internal rules, guidelines, protocols, standards or other similar criteria relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Plan do not exist; 8) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided; and 9) any other notice(s), statement(s) or information required by applicable law.

**Claim Procedures for Claims Not Requiring a Determination of Disability:**

Claims and appeals for benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Claim Administrator. The Claim Administrator will evaluate your claim and determine if benefits are payable.

The claim decision will be made no more than 90 days after receipt of your properly filed claim. However, if there are special circumstances that require an extension, the time for the claim decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, you are notified in writing of the special circumstances and are given the date by which a decision is expected to be made. If extended, a decision shall be made no more than 180 days after your claim was received. If the Claim Administrator approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

However, any adverse benefit determination will be in writing and include: 1) specific reasons for the decision; 2) specific references to Plan provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such, and 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal the decision and after you receive a written denial on appeal.

#### Appealing Denials of Claims for Benefits:

On any wholly or partially denied claim, you or your representative may appeal to the Employer for a full and fair review. Your appeal request must be in writing and be received by the Employer no later than the expiration of 60 days from the date you received your claim denial.

As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Employer's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Employer will make a final decision no more than 60 days after it receives your timely appeal. However, if the Employer determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Employer notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Employer grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Plan provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
